

the outdoor classroom description

name:

Look for a suitable object in the park.

It can be anything that you can see: a tree, an animal, a waste bin, bridge.

- Write a few words, sentences, or a paragraph to describe your object. Don't mention what the object is in your description.
- Read what you have written to your group or partner.
- Can they guess what the object is?

Draw a picture of your object in the box below.
